Name: Prima Ankle High Shoe	Code: 21105W	MB23 FOOTWEAR MAXIMUM SERIES
------------------------------------	---------------------	-------------------------------------

Description

Ankle high shoe with laces, top quality full grain leather upper, PU/rubber sole, Cordura ankle band; composite toecap and Zero Penetration composite midsole. Overcap and sole inserts in TPU.

PU and anti-heat nitrile rubber outsole.

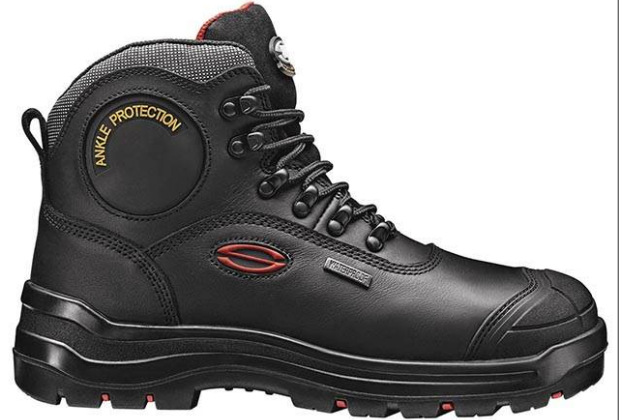

DUAL FRESH Insoles in bi-component fabric with variable thickness and shock-absorbing properties. They are made from special foams and particularly contact-friendly fabrics which prevent perspiration.

DRY-PLUS polyester lining offering superb absorbing properties prevents feet overheating.

Main features:

- Upper in top quality full grain leather, water repellent and breathable
- Insulating sock to guarantee water repellency features
- Malleolus protection
- TPU overcap for great protection on the toe area
- Outsole in Nitrile rubber, anti-heat, antacid, anti-oil, anti-wear, anti-drip
- High resistance double thickness flex zone
- Shock absorber
- Crampons for better stability on ladder rungs
- Side grooves for drainage of liquids
- Sharp-edged cleats for better grip
- Smooth finish for easier cleaning
- Rear spur for quick release

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of European standards EN ISO 20345. It is classified as PPE Cat. II.
