Name: MB2017 ankle high LIME ARMOUR shoe

Code: 25031

MB20 CALZATURE SERIE NEW ULTRA LIGHT

Description

Ankle high shoe, with seamless Nylon fibre upper. Equipped with glass fiber toecap and composite midsole with a constant thickness of 4 mm. The EVA/RUBBER sole has a highly expanded EVA midsole, anti-shock power, which makes the shoe more flexible and lightweight. The nitrile rubber outsole guarantees perfect grip on both dry and wet surfaces. The footbed is made of bicomponent material with a shell in polyurethane foam and memory PU with variable thickness: 4 mm at the front and 9 mm in the heel area. Remarkable anti-shock properties. Antistatic. The 3D-TEX polyester lining reduces the sweating effect.

Main features:

- Extremely light, breathable and comfortable.
- Seamless upper for better foot grip, tear and abrasion resistant
- High Durability Cap System: High durability TPU tip system
- T-FLEX" composite midsole with a constant thickness of 4 mm
- TPU rear support to optimize stability in the heel area
- Ergonomic and ultra-flexible eva/rubber outsole that guarantees a high level of comfort
- Suitable for clean environments, characterized by soils with low degree of roughness

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments and in such a way as to comply with the requirements of EN 20345 EC and is classified as PPE Category II.

Category II	Colours Grey-lime green	Available Sizes 36-47
Quantity/Carton 0	Important Information Store clean footwear in a cool, dry place away from heat and light. Before each use check that the shoes are in perfect condition, if they are not intact, replace them.	Recommended for
